**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am consumer that supports broadband competition. I chose a competitive provider because of their excellent service and price.

I want more competition.

If the broadband goes away, it will increase the cost of my internet and telephone services.

Broadband is critical to my home. I have fiber today but was previously connected with competitive DSL.

I also use a competitive telephone service.

Thank you and I hope that you consider the consumer standpoint.
